## **CYBERSECURITY AGREEMENT REACHED BETWEEN A&M GROUP SECURITY DEPARTMENT & W1NC1S**

A&M Security & Intelligence Department have established a professional working agreement with W1NC1S Corporation to review, establish, upgrade and manage all our A&M Development Group's cybersecurity requirements over the next 5 years.

Employing a leading team of industry experts, W1NC1S Corporation is already responsible for the design and management of cybersecurity measures for various industry leading banking and financial corporations within LATAM. This association with A&M Development Group will allow them to expand into the United States and the African continent.

At AMSECDEP we expect great accomplishments from our strategic partners and welcome them to our A&M Group Team.
